

Golf Pleasure at Hotel Gut Brandlhof

At Hotel Gut Brandlhof, golf is more than just a sport: right outside the hotel door lies the 18-hole championship course of the Golf Club Gut Brandlhof. The course runs harmoniously along the Saalach River, crossed by six bridges—making this golf club truly unique. Both beginners and experienced players will find their perfect challenge here. The combination of athletic competition, fascinating natural scenery, and exclusive hotel comfort makes the 4-star superior Hotel Gut Brandlhof one of Austria's leading golf destinations.

As a hotel-owned golf club founded in 1983, the Golf Club Gut Brandlhof offers guests the incomparable advantage of starting their round directly from their room—no travel time needed. The high-quality course blends harmoniously into the Pinzgau landscape, spanning both sides of the Saalach River and impressing with varied fairways and water hazards. Ecology, sports facilities, and flood protection combine here to create a unique golf–nature symbiosis!

A fixed highlight in the golf calendar is the **Brandlhof Cup**, which attracts golfers from Germany, Austria, and Switzerland every year. The tournament combines sporting ambition with sociability and culinary delights in the **Club Restaurant Einkehr**, known not only for its regional specialties from the Brandlhof kitchen but also for its panoramic mountain views and XXL sun terrace. The Einkehr is also a popular spot for hikers and cyclists and serves as a charming party location.

For those who wish to improve their game, the **PROject GOLFacademy** at Hotel Gut Brandlhof offers a wide range of indoor and outdoor training options. Under the direction of academy founder **Christoph Günther** and location manager **Markus von Knoerzer**, modern training is provided for all skill levels – from individual lessons to customized programs, including sessions in the **Indoor Golf Performance Center** of the Golf Club Gut Brandlhof.

By the way: on your birthday, you play for free – a small gesture that underlines the hotel's warm, family-like atmosphere. All hotel guests also receive a **50% discount on the green fee** and access to a **guest caddy room** for their equipment. Four-legged companions are very welcome, too – dogs are allowed both in the hotel and on the golf course, making the stay especially enjoyable for many guests.

Lastly, the hotel's commitment to golf, service, and hospitality was honored in 2024 with a special distinction: **Hotel Gut Brandlhof was named "Golf Hotel of the Year"** – a title that reflects the outstanding quality and passion with which golf culture is celebrated here.

At Hotel Gut Brandlhof, every golf day becomes a special experience!
